

Registered Nurse - Quality Coordinators x 3

[Apply Now](#)

Company: Mednurse

Location: Ndola

Category: other-general

The Quality Coordinator assumes responsibility for the co-ordination, provision and establishment of quality nursing practices at the various clinics operated by the client, to ensure the promotion, protection and restoration of the employee and patients health within a safe working environment.

Assists in the planning, coordination, monitoring, and evaluation of medical services for client employees with emphasis on **quality of care, continuity of services, and cost-effectiveness** under administrative direction of the Quality Manager. This includes the co-ordination of all functions and activities related to the clinical governance and quality management system in accordance with the appropriate regulatory and accreditation bodies through the leadership of a multidisciplinary team.
