

Senior Procurement Manager (healthcare)

[Apply Now](#)

Company: PRI

Location: Lusaka

Category: other-general

Overview

We are hiring!

Our client in Luanda is looking for a Feasibility Co-Ordinator to join their team. The ideal candidate will have a deep understanding of the Feasibility Sector and a proven track record in the relevant field.

To apply or for more information follow the link below.

Responsibilities

Facilitate all administrative and finance functions and processes.

Facilitate development of project plans and manage them from inception to completion – creating timelines and setting benchmarks.

Monitor all aspects of the project keeping them synchronized and moving forward.

Organize and attend project meetings and record decisions (minutes/action points/assigned tasks).

Maintain and update budgets and assess possible project risks and setbacks.

Requirements

Experience in feasibility studies, project management, and engineering services.

Ability to communicate effectively with clients and engineering teams.

Strong problem-solving skills and ability to think critically.

Excellent organization and time-management skills.
